f. To increase the number of books in the library.

### **Institutional Challenge**

#### **CHALLENGES-**

1. To encourage research aptitude among students and faculty.
2. Sustain student's strength in competitive environment to minimize students' drop-out ratio.
3. To improve students result in CBCS Semester system.
4. Encourage economically and socially backward students for competitive job placement.
5. Due to tight schedule of CBCS semester system very little time is found for research and extension activities.

## **1.3 CRITERIA WISE SUMMARY**

### **Curricular Aspects**

The College is affiliated to Dibrugarh University, Dibrugarh, Assam and the College follows the curriculum designed and developed by the affiliating University. The College imparts teaching to students as per the curriculum designed by the affiliating university, which is based on UGC guideline. The time-table and the Academic Calendar are two mechanisms prepared by the college that enable timely completion of the syllabus. Various measures are taken to accommodate the different needs of different learners. These include tutorials, remedial and counselling sessions. At the end of the session an Academic audit is conducted to assess whether all provisions made in the curriculum delivery have been realized. At present the College offers B.A. programme and offers major/Honors in Assamese, English, Economics, Education, Political Science, History, Philosophy, Mathematics, and Sociology. As a part of its future curricular programmes, the College has plans to introduce regular PG Course in various departments. Horizontal mobility is allowed to students through the option of choosing different courses within the time period before final registration with University. Students

are allowed some vertical flexibility to complete their programme as per the guidelines framed by the University. The institution also undertakes supplementary measures to enrich curriculum and teaching practices through lectures/seminars/workshops by academician and experts, and conducts study Tours. The College also organizes various co-curricular and extra-curricular activities to provide students for exposure to skill-development opportunities. Student progress is monitored and evaluated through Continuous Internal Assessment mechanism and Sessional Examination conducted by the college. The Feedback Mechanism Committee of the College maintains the practice of issuing and collecting feedback form from the final year students and the entire process of collecting the same is done by the IQAC systematically. The self designed feedback forms are printed & shared among the UG students just before the end of a program. After receiving feedback, the Principal; discusses the same with the HoD(s) IQAC in a joint meeting convened by the Convenor of Feedback Mechanism Committee. The Principal recommends the IQAC & feedback committee to make a detail analysis of the feedback received from the students for the development of the Institution.

### **Teaching-learning and Evaluation**

The College pays serious attention to improve the quality of the teaching-learning process. The College has taken many steps to improve the quality of teaching-learning by adopting effective teaching strategies, which are student centric. The College has smart classrooms, where teachers impart their teaching by using Power point presentation and audio-visual presentations to create interest and curiosity among the students and make learning interesting.

The faculty member of the college regularly attends their classes as per the schedule of the class routine made by the Academic council. Along with their regular classes, teachers conduct tutorial and remedial classes as per need of the students. In terms of evaluation of the performance of students, the college has adopted many evaluation methods like internal examinations, assignments group discussion, and seminars etc, as per the guidelines of the affiliating university. However, the evaluation of the final examination is conducted by the affiliating University and the entire college faculty members engages for evaluation of answer scripts of the students in the examination zone and centre as examiners, scrutinizers, Head examiners as well.

. At present there are 31 permanent teachers. To enhance faculty competence and professional development, the college encourages members of faculty to engage in academic development programmes such as Orientation, Refresher courses, Summer/Winter Schools/ faculty development programme, encourage them to involved in research activities and participate/present papers in seminars and attend conferences etc. The college is committed to provide quality education to students by qualified, competent and experienced teachers and it engages invited faculties from different colleges for academic and extra-curriculum activities.

### **Research, Innovations and Extension**

The Silapathar Town College always encourages its faculty members to undertake research activities whenever possible in spite of the limited opportunity in the college. The college authority extends all possible help to the faculty members for pursuing M.Phil & PhD and publishes research articles. As a result, seven faculties have already received PhD Degree. Recently, one of the faculty have submitted his Thesis for PhD Degree at Assam University; in the Department of Philosophy and one of the faculty from English department is admitted to pursue PhD programme at Mahapurush Sri Mahanta Sangkar Deva University. Many faculties have published research articles in various peer-reviewed and other ISSN and ISBN journals. . The college has organized few numbers of workshops in different disciplines. The college faculty members also presents their research papers

at different seminars and conferences organized by different colleges and universities across the nation.

The NSS Unit of the college has been arranging a number of outreach programs and extension activities like Swachh Bharat, environment awareness and other women related awareness programs. All the staff and students actively participate in these programs and help in fulfilling the objectives of the programs. The College has adopted a village, Joriguri. The college has been conducting many extension and outreach programs at the adopted village. The main objectives of adopting the village is for encouraging the students to learn social responsibility services and collaborate with the village for raising awareness among the villagers on health, education and environment related issues. The paucity of funds and constrain of time provide less opportunities for staff to focus extensively on the extension activities of the students.

### **Infrastructure and Learning Resources**

The college has adequate infrastructures facilities with number of classrooms and separate spacious Administrative room, separate offices for Distance education study/contact centre, IQAC and NSS, well furnished computer Lab, Math Lab and a smart class room, separate common rooms for boys and girls, drinking water facilities for students and staff, semi large play ground and library with an adequate number of books and study materials, references books and journals.

There are five numbers installed solar panels within the campus of the college. Ramps have also been installed in the class room(s) to support differently-able students. Adequate first aid facilities are also ensured for the staff and students.. The College plans for up-gradation of IT infrastructure through implementation of INFLIBNET and Wi-Fi facility. At present, there are 32 Nos. of computers facilities in the departments and the office. Procurement of computers is made through grants received from the UGC and the Department of Higher Education.

The college pays attention to redress the grievances of the students promptly. The college has a number of committee like anti-ragging cell and grievance cell etc. to address the problems of students. College has an elected student Union Body, having President, Vice President, Secretary and a number of other port folios to address the needs of students. The college takes a numbers of activities for students through the NSS of the College.

The College tries to ensure optimal allocation and utilization of available financial resources for the maintenance and upkeep of different facilities of the institution. A budget allocation is made at the beginning of the academic session for maintenance of Building, Equipment including computers, and for electricity, Furniture, Travel and other expenses. The Construction Committee and the purchase committee supervise construction and maintenance of infrastructure and facilities.

### **Student Support and Progression**

Students are at the centre of an educational institution, and the College ensures that all provisions are in place for their mentoring and support. The College Prospectus provides detailed information regarding enrolment and programme of study at the institution. Right from the time of enrolment; students are provided support for academic and other social needs. Students are encouraged to participate in co-curricular and extra-curricular activities such as sports, debates, performing arts etc. Sports and Cultural Program is conducted frequently as a part of the curriculum of the College. Other co-curricular and extra-curricular activities such as preparing the

departmental Wall Magazines, departmental pamphlets, and participation in competitions and outreach activities of the College are promoted. Students have also won accolades in various competitions. The career counselling Cell of the College organizes skill-development programmes. Slow learners are helped with tutorial class and academic counselling, while advanced learners are provided with opportunities as exposure for participating in seminars and lectures by inviting academicians to the institution. Students gain from exposure to practical skills in field trips, and are given responsibility to organize exhibitions and functions, so that they develop team-work mentality and decision-making skills. The students' Grievance Redressal Cell, the Sexual Harassment Redressal Cell and the Anti-Ragging Committee address students' grievances and complaints whenever any such consequence arises very fruitfully. The College is committed to students' progression and strives for excellence through employability. The college faces the risk of failure of students or dropout and this are identified as weaknesses of the college and remedial measures are taken so that they do not discontinue their studies. The College also identifies the aspirations of advanced learners, and provides them a perspective for future opportunities. The students gain exposure through interaction with teachers, experts and faculty from other institutions who are invited to the College. The Annual Function and Prize Distribution and the Annual College Re-union are regular annual events of the College. The Students' Union and the Alumni Association play an active role in these events.

### **Governance, Leadership and Management**

The Management of the college is highly decentralized and democratic in its approach. It has a well-defined quality policy and action plan. The Principal-in-charge of the college plays a pro-active role in designing and implementation of plan and policies of the college. He sets internal policies and programs of the college with the association of planning board, Heads of various departments, Co-ordinator, IQAC, conveners of different committees/ librarian, and senior members of non-teaching staff.

The salary budget allocation to the college is made by the Government of Assam. The financial management is assisted by DDO and the Accountant of the College. The departmental expenditure is disbursed by the Principal In-Charge in cognizance with the departmental heads, decided in the meeting with regard to purchasing books, equipment and other necessary expenditure.

Internal Quality Assurance Cell (IQAC) is responsible for the overall monitoring of the system, setting/ revising guidelines for improved performance, carrying out the Academic Audit of faculty, and facilitating interactions with Students and other stakeholders.

### **Institutional Values and Best Practices**

The college has unique association with common minimal objectives to devolve values to the society of the area in day-to-day functioning through long-term planning. This has enabled the college to incorporate innovative functioning ways such as employability enhancement program for students. The college takes efforts to bring in innovations in teaching-learning process such as use of social platforms, use of modern teaching tools.

By adopting environment-friendly practices the College demonstrates a proactive Environment Consciousness. The College conducts a Green Audit of its campus and facilities to promote awareness to environmental issues. The faculty of the college concerns the affluent environment along with the students now and then. The College also focuses on activities such as conservation of water and energy, plantation of trees, and preparation of waste

composite, general waste management and management of hazardous waste and e-waste to make the campus eco-friendly. Innovations introduced in the last few years have made a positive impact on the functioning of the institution. The College motivates students through awards and prizes for performance in academic and extra-curricular activities, and provide assistance to needy students. The Extra-Curricular Scheme of the College is an initiative to encourage the all-round development of the students by nurturing their creative skills. In the academic front, Sessional Examination is being conducted twice in each semester to ensure a continuous assessment and monitoring of students' progress. The Women's cell of the College regularly discuss for promoting sensitization on women-centric issues. The Best Practices adopted by the College contributes to the holistic development of its students and lead to the quality improvement of the institution.

## 2.5 Evaluation Process and Reforms

### 2.5.1 Mechanism of internal/ external assessment is transparent and the grievance redressal system is time- bound and efficient

#### Response:

Response:

The Mechanism of Internal Assessment is transparent, time-bound and efficient. The mechanism developed for Internal Examination is as under:.

- The college forms an Examination Committee every year to conduct internal examination. The date of the internal examination is decided in the Academic council meeting and finalize as per the tentative dates prescribed by the affiliating university academic calendar in every session.

- Accordingly, the Examination committee makes its roadmap to conduct the internal examination.

- Question papers of Sessional Examination/ Internal Assessment are set based on Course outcomes and purely concern by heads of the department. All departmental Programmes are decided by consent with department faculty.

- Further any changes in the evaluation process will be communicated to students and faculty through circulars.

- The faculties of the college invigilate over all the examination. The examination committee is suitably altered in the teacher's academic council meeting to keep it functional, time-bound, transparent and effective.

- Syllabus for internal assessment will be communicated to students well in advance..

- All the Sessional Examinations marks are keep in Internal assignment record register properly under year wise as well as semester wise.

Theory subjects are assessed through:

- Two Sessional Examinations for each Semester.

- University external. Examination
- Assignments.
- Seminar.

Practical subjects are assessed through-

- Two internal tests.
- University external lab exam.
- Field survey on Literary and other issues, i.e related to psychological measures.( by Department of Education).
- The 5th semester Major/Honours students of Education are geared up for teaching practice in nearby Lower primary school/ Middle school as well as High school to their enhancement of further teaching skill.

The college fraternity feels that the primary objective of the Internal Evaluation will falter if we fail to keep the mechanism to deal with examination related grievances transparent, time-bound and efficient. Hence we have a Grievances Redressal Cell which looks after grievance related to the examination. Any kinds of grievance raises are immediately take necessary actions by this Cell.

**4.2 Library as a Learning Resource**

**4.2.1 Library is automated using Integrated Library Management System (ILMS), subscription to e-resources, amount spent on purchase of books, journals and per day usage of library**

**Response:**

**RESPONSE:**

The library is known as the heart of any academic institution. It is the powerhouse that has various sources of information through which knowledge is expanded. Keeping in mind this fact, the library of the college has been improving with increasing numbers of books. The college purchases books from time to time as per the funds availability and books requires. At present, it has a total of 9,332 books. These are most textbooks covering the syllabus of the Under graduate Programme. The library is used for both teachers and students. The College Library is being taken care by one librarian, one Library Assistant, Assistant Librarian and Library bearer. There is regular stock verification process carried out by the library. A file is maintained which contains the stock verification reports carried out at different intervals. Physical verification of the library stock is the process by which the accession register is tallied with the books in the library. It gives the overall picture of the available documents in the library. Stock verification provides opportunities to wipe out long unused, very old editions of the books from the library. It also leads to the cleaning and dusting of books and thus preventing their deterioration. All the torn and old books which could not be used for circulation has been kept separately. The files relevant to Library and Library services are well maintained and labelled for easy access to any of the Library staff. There is a Library advisory committee which helps in guiding the library for effective services. The library committee meets at regular intervals for selection of books and other Library material. They also suggest ways and means to improve the services. There is a study room adjacent the library where the students are studying during their class off times.

The college has already transformed the manual library to an automated one to help the students to find books that they require. The college library has also made a previous question Bank, which gives immense benefit to students from the examination point of view. The hard copies of the question Banks are available in the college library. There are numbers of computers in the library, which can be use by the students whenever, they needs.

- d. To build interest in co-curricular activities.
- e. To create an atmosphere of work culture.
- f. Liaison with various related Institutions.

**4. The Context:** In today's world, all round competition for survival is growing faster and hence fit the saying 'survival for the fittest'. In this aspect, it has become necessary to grow work culture as well as to prepare the students to equip them with different practical skills along with the regular academic curriculum for better compatibility. In view of these, the Institution initiated some skill development

program in the campus.

### 5. The practice:

- a) The college liaised with different related institutions.
- b) Created awareness among the students to build up interest through different Cells of the college.
- c) Trained the students about Mushroom cultivation under Krishi Vigyan Kendra.
- d) Workshop session for weaving was conducted.
- e) Training on dyeing was organised in the campus.
- f) Visited cash crops fields like ghost pepper, small tea gardens in the locality etc. and briefed about practical knowledge.

**6. Evidence of Success /Outcome:** The student gathered knowledge for opening up different avenues of employability in future. They have the necessary liaison with relevant institutions and know better about the surrounding. Work culture has developed and many students are implementing the knowledge by initiating different skill based activities. Some students have started Mushroom cultivation by their own and earning profitable return out of it. Many students engage themselves (especially girls) in weaving and set the example of self- sufficiency. Some others are planning to start their own small tea garden etc. In this way the skill development programmes are providing necessary and timely guidance to the students.

**7. Problems Encountered and Resource Required:** -Experienced and skilled persons were required to carry on the programmes and trainings.

- Had to liaise with respective institutions and Offices.
- Had to inculcate awareness and interest among the students for mass participation.
- Required funds for necessary purchase of items as well as for instructor.

### BEST PRACTICE – 2

**1. Title of the Practice :** “ *Initiatives for environmental consciousness for a healthy world* ”

**2. Duration (year of inception- year of discontinuation):** Yes, this practice has been started from several years back and still continuing.

### 3. Objectives:

- a) To create awareness among the students, staff and faculty about environmental degradation and its ill effects as well as its possible prevention.
- b) To spread this idea to the public in general through the students.

- g) Solar panel and water harvesting system is installed at college campus.
- h) For waste management drainage system, garbage pit, e-disposal room, dustbins are constructed and installed.
- i) For practical knowledge of the students ideas given on seed bed making and sapling preparation.
- j) For vermi-compost, pit is prepared.
- k) Different important days have been observed in relation to environment like, World environment day, World forestry day, World heritage day and Anti –tobacco day etc.

**6. Evidence of Success/ Outcome:** The composite steps taken by the institution enables to create ample awareness among the students and college fraternity, thereby spreading the motto of “Go green, generation after generation”. It has become a culture to maintain an environment friendly atmosphere and influenced

the society at large through its students and through its initiatives. Plantation programmes, vermicompost production, Seedling preparation etc, can be referred in this regard.

**7. Problems Encountered and Resource Required:** -Different campaigns and practical demonstrations were required at different levels and locations for generating awareness and interest not only in the minds of students and faculty but also in the society.

- For installation of Solar panel, Rain Water Harvesting System, Plantation related works, Waste disposal; Environment friendly Promotion programmes etc. lots of funds were required.

- To instil environment friendly impulse and to make it a habit Committees are formed to be actively functional, e.g. Environment and Social Service Committee, Eco Club etc.
