

WORLD EARTH DAY CELEBRATION REPORT

On the occasion of World Earth Day the college participated at the massive plantation drive organised by TMPK (Takam Mising Porin Kebang) at Kareng Chapori, which was attended by hundreds and thousands of people coming from every nook and corner of Assam. The programme kick off with Forest Man of India Jadav Molai Payeng planting the first sapling along with many dignitaries like Assam Education Minister Dr. Ranuj Pegu, Member of parliament Mr. Pradan Baruah, Member of Legislative Assembly Mr. Bhupen Pegu and other central Office bearers of TMPK. Who cheered and boosted the participants by delivering spirited lectures and explaining the necessity of planting trees and saving this beautiful planet, earth. In order to cultivate a sense of planting trees and preserving them, the college promoted the students to take part in the programme which was lead by Dr. Swaroop Taid and Mr. Bikash Saikia, faculty members of the college. As many as 50 (fifty) numbers of students participated at the programme. The organiser TMPK, was highly delighted the participation and appreciated the move undertaken by the college. They also expected further co-operation from the college in any other programme in future days to come.

OUTCOMES OF THE PROGRAMME:

- The faculty members and students of the college had the opportunity to interact with the Forest Man of India, Mr. Jadav Molai Payeng on the issues Environment.
- The student were able learn the importance planting trees and saving the earth.
- The students had the opportunity exchange and share their experience and feelings with dignitaries present at the occasion.
- A sense of responsibility towards earth and nature is generated among the students.
